

Luke Sorensen wins Best Social Media Campaign for Save Our Spit

When Luke Sorensen a long time SOSA supporter was asked to fill in on Facebook whilst one of our members was away we were not sure what the results may be.

A huge thanks to our supporters who contributed to over 4 million post impressions, nearly 300,000 post clicks and over 100,000 YouTube views.

Thanks Luke for keeping us both informed and entertained!

Dr Steven Gratton pictured accepts the award as Luke was away with work.
